THIS AGREEMENT is made and entered into this 22nd day of October, 2002, by and between the city of Shoreline, a Washington Non-Charter Optional Municipal Code City (the "City") and Ronald Wastewater District, a Special Purpose Municipal Corporation (the "District").

WHEREAS, the City is the local government with authority and jurisdiction with respect to the territory within its corporate boundaries; and

WHEREAS, the District provides sanitary sewer service to properties located in the District and properties lying in the City's corporate boundaries and also to properties not located in the District or the City; and

WHEREAS, the City desires to assure its residents of continued unified sanitary sewer service which will comply with federal, state and local law, which will protect the public's health, safety, and welfare, and will provide uniform standards of service; and

WHEREAS, the City and the District have separately negotiated a 15 year Franchise Agreement to establish the terms and conditions under which the District is granted the authority to maintain its sanitary sewer system within the City's Rights of Way to be simultaneously executed and

WHEREAS, the City and District are authorized under chapter 39.34 RCW, the Interlocal Cooperation Act, and RCW 35.13A.070 to contract for the coordinated exercise of powers and sharing of resources for the efficient delivery of services to their residents, and the governing bodies of both parties have passed resolutions approving the execution of this Agreement;

12/15/1910

NOW THEREFORE, in consideration of the terms and provisions contained herein, and the Franchise Agreement executed contemporaneously by the parties, the City and the District agree as follows:

Section 1. Purpose. It is the purpose of this Agreement to guide the activities, resources and efforts of the City and the District to provide the citizens of the entire City and the ratepayers served by the District with an efficient, high quality and well maintained sanitary sewerage wastewater system at a reasonable cost and to provide an orderly and predictable transition of the wastewater utility from District to City ownership.

Section 2. Term of Agreement. The term of this Interlocal Operating Agreement shall be fifteen (15) years from the date of its execution.

Section 3. City Responsibilities:

3.1 Franchise Grant to the District. The City shall grant a non-exclusive franchise to the District in the form attached hereto as Exhibit "A" for a concurrent term of 15 years and terminating on the termination date of this Agreement.

3.2 Assumption by the City. The City agrees that in consideration of the "Interlocal Operating Agreement Fee" to be paid by the District to the City as set forth herein in section 4 of this Agreement, and the other terms and conditions of this Agreement, it shall not, during the 15 year term of this Agreement and the concurrent Franchise Agreement granted to the District, attempt to exercise its statutory authority (RCW chapter 35.13A, as currently in effect or amended in the future) to assume jurisdiction over the District or any District responsibilities, property, facilities or equipment within the City's corporate limits, including future annexed areas.

3.3 Fees and Charges. The City shall not, during the term of this Agreement impose any new fees on the District for City costs and services addressed and compensated for in the Franchise Agreement or this Interlocal Operating Agreement, as herein below described.

3.4 Future Statute Authorizing a City Utility Tax on the District. In the event that the State of Washington Legislature should in the future authorize a City to impose a Utility Tax upon a District based upon the District's revenues, or upon any other basis, the payments hereinbelow provided as the District's contractual consideration for this Agreement shall be credited against such Utility Tax as the City may impose and the District shall be obligated to pay only the statutorily supported tax liability in excess thereof; provided however, this section shall not allow a credit against consideration of this Agreement for

generally applicable regulatory fees or revenue-generating charges or taxes that may be authorized by law as applicable to the District and adopted by the City during the term of this Agreement other than a utility tax. For purposes of this section "utility tax" refers a city tax on business activities subject to the tax imposed by chapter 82.16 RCW.

3.4.1 Pass Through of Excess Utility Tax. In the event a Utility Tax on the District by the City is in the future authorized by law, the District shall pay such additional monies and may pass such additional tax liability on to the District's ratepayers as a separate billing item.

3.5 Requirement to Connect to Sanitary Sewer. The City shall, within the first year of this Agreement, study the adoption of rules and regulations related to the requirement that residences and other buildings or improvements located within the City not receiving sanitary sewer service (those using septic tanks or other on site systems), shall, under certain terms and conditions, be required to connect the sewer facilities located in or on such properties to the District's Sanitary Sewer System.

3.5.1. The City shall enforce such rules and regulations if adopted.

3.5.2 The District shall cooperate with the City in such enforcement action.

3.6 City's Option to Extend this Agreement The City, at its sole option, may no less than twelve (12) calendar months prior to the end of the term of this Agreement inform the District, in writing, of its desire to extend this Agreement for an additional five (5) years under terms and conditions as may be mutually agreed to by the Parties.

3.6.1 Should the City give such notice to the District and the District be interested in such a proposal, the Parties shall enter into Good Faith Negotiations to complete and execute a mutually acceptable extension Agreement, within six (6) months from the City's Notice.

3.7 Protection of District Employees upon Assumption by the City. The Parties agree that a fair and equitable transition of the employees of the District at the time of assumption by the City is critical to maintain the efficient operations of the wastewater services. The employees at the District represent a valuable asset to the City as they assume operations of the District. Therefore, in addition to compliance with RCW 35.13A.090, the City agrees to the following protections for employees of the District at the time of the transfer of the utility system:

3.7.1 All full-time regular non-probationary employees of the District at the time of assumption shall be offered the same or equivalent positions in the City's job classification system, which are consistent with the knowledge, skills, abilities, experience, and technical requirements of the District's employees.

3.7.2 The City agrees not to reduce the salary of a District transferred employee. However, the City reserves the right to freeze a District transferred employee's rate of compensation within a job classification until the City's rate of compensation is equal to or exceeds the transferred employee's rate of compensation.

3.7.3 City agrees it shall not lay off a transferred District employee for at least one year following the date of the transfer to City employment, however, the City reserves the right to terminate District transferred employee for cause.

3.7.4 Service credit for City purposes will be calculated based upon the initial full-time employment date of the transferred employee with Ronald Wastewater District.

3.7.5 Transferred employees will continue participation with the appropriate public employees' retirement system as provided for in RCW35.13A.090 (1).

3.7.6 The City currently allows employees retiring under the PERS Retirement System to purchase health insurance. The transferred employees will be able to participate in that benefit so long as this is still a benefit offered to City employees at the time of assumption of the District.

3.7.7 The City agrees to abide by the Washington Wastewater Collection Personnel Association certification requirements or equivalent for all sewer maintenance workers.

3.7.8 District agrees that an employment agreement for any employee shall not be extended beyond the City assumption date without review and approval of the City Manager.

3.7.9 The Parties recognize that all agreements with bargaining units will terminate upon transfer to the City.

ORIGINAL

3.7.10 District agrees that at the time of transfer it shall pay off any accrued sick leave owed to transferred District employees, based on District sick leave policy then in effect.

3.7.11 The Parties agree that District employees transferred to the city shall not carry over more vacation accrual than allowed by City vacation leave policy then in effect, and the District shall pay off vacation in excess of the City's accrual limit upon transfer.

3.8 Obligations On Assumption:

3.8.1 City shall assume all liabilities and contractual obligations of the District or pay those obligations in full where required by contract, bond covenant or other agreements. The District will negotiate all new contracts and loan agreements during the term of this agreement including any mutually agreed upon extension so that the obligations of the District may be assumed by the City upon assumption of the District without cost or penalty. It is agreed that the district's Parity Revenue Bond covenants, as now written, can not, and will not change during this Agreement, therefore, any such Parity Revenue bond obligations of the District will require full defeasance or transfer of the obligation of the District according to the bond covenants at the time of the transfer of assets.

3.8.2 All District assets, personal, real and intangible property will be transferred to the City.

Section 4. The District Responsibilities. In consideration of the City's commitments above and the concomitant Franchise Agreement, the District shall:

4.1 Interlocal Operating Agreement Fee. In consideration of and compensation for the City's forbearance of its rights to assume the District under RCW 35.13A, as it now exists or may be amended, and the rights granted the District under this Agreement to operate its existing and future sewer facilities within the City's corporate limits, including any future annexed areas, the District agrees to pay the City an "Interlocal Operating Fee" pursuant to the payment schedule set forth herein.
